Directions

1. The stop light into the main village is at Village Gate Boulevard.
2. The next stoplight is Lorimer Road, and it is the access to the north part of the Village. Go right (there is a right hand turn lane).
3. The first road on your right is Northlands Boulevard. The next right goes into a large parking lot, at the end of which is the IGA supermarket. Park near the IGA.
4. Head towards the IGA, and keep the building on your right. The next storefront is Kentucky Fried Chicken. Then Katmandu (a sporting goods store), then a glass crystal shop, and then there is a concrete spiral staircase in front of you. Go upstairs.
5. Just slightly to your left, you will see a door with Blue Highways Shiatsu and Massage on it (the door right in front of you is for Whistler/Blackcomb).
6. Go through the door, and turn left. We are about $\frac{3}{4}$ of the way down the hall.
